

Through [the WSPS Resource Hub](#), you can access professional advice and consulting services to help with their COVID-19 needs. Your workplace may be eligible for two days of services tailored to your needs (worth \$2,000 – paid for by the Canadian Agricultural Partnership). **Available until March 15, 2022.**

The following workplaces are eligible:

- Employers, farm sector organizations and farm associations
- Provincially licensed meat plants
- Other food processors who employ 1-49 employees

WSPS, is also offering a series of free live webinars specific for agri-food businesses. Stay up to date on legislative updates, new and emerging hazards, and trending topics in response to the COVID-19 pandemic. For more information & to register, visit: [WSPS Safety Connection Webinars](#)

Enhanced Agri-food Workplace Protection Program

Deadline Dates:

- Application intake is **now closed**
- Supporting documents and receipts must be submitted **before Feb. 25**

A new online COVID-19 safety plan builder can be found at: <https://www.ontario.ca/page/covid-19-workplace-health-safety>, along with an existing safety plan guide and other helpful resources.

The interactive platform can be used to develop custom COVID-19 safety plans.

The production insurance deadline and labour coverage have been extended for the 2022 growing season to keep supporting the agricultural industry as it deals with COVID-19. **For more information, please contact Agricorp at 1-888-247-4999 or contact@agricorp.com.**

Mental Health for Farmers
Visit [ontario.ca/agmentalhealth](https://www.ontario.ca/agmentalhealth) to access a list of resources for farmers and their families to help reduce stress and improve their mental well-being. For immediate assistance, please call **1-866-267-6255** for **free counselling support**.

Employer Registry of International Agricultural Workers

Register your info at: [Ontario.ca/AgEmployerRegistry](https://www.ontario.ca/AgEmployerRegistry). This voluntary registry helps the province better support employers' and employees' needs during the growing season and beyond.

Ontario is protecting the health and safety of agri-food workers by distributing up to **5,500 free HEPA filters** to improve ventilation in agri-food congregate living settings and prevent COVID-19 outbreaks on farms. You will need to sign up with the registry to request HEPA units. For more info, visit: [HEPA Filters](#)
